## QUALITY Policy

We are committed to providing the highest quality & service to meet & exceed all of our customer and regulatory requirements. This is achieved through **CONTINUOUS IMPROVEMENT** of our Quality Management System and monitoring of our measurable Quality Objectives.

### ▣ FLEXIBLE manufacturing

Flexibility at every step of the way is key to our success. Not only can our machines perform an array of CNC turning & milling operations, but our people & business model just as flexible. Our small size affords us **rapid** RFQ response, short throughput times, over **95%** average monthly OTD, strong relationships with our suppliers, & **100% traceable** operations.
